

**VILLAGE OF ST-PIERRE-JOLYS
BY-LAW NO 2014-06**

**BEING A BY-LAW OF THE VILLAGE OF ST-PIERRE-JOLYS TO ESTABLISH AN
INCENTIVE TO ENCOURAGE THE INSTALLATION OF A SUMP PIT AND PUMP
AND/OR IN-LINE BACK WATER VALVE.**

WHEREAS Section 261.2(1) of The Municipal Act provides as follows:

A Council may by by-law establish financial assistance programs.

AND WHEREAS Section 261.2(2) of the Municipal Act provides as follows:

A financial assistance program may include provisions

- (a) prescribing the types, locations or classes of premises eligible for financial assistance, which types, locations or classes may be based on the age, assessed value or occupancy of the premises, or other criteria;
- (b) prescribing the amount, of the manner of calculating the amount, of financial assistance for each premises or each type, location or class of premises;
- (c) prescribing the types of renovations and costs associated that are eligible for financial assistance;
- (d) establishing terms and conditions under which financial assistance may be provided or terminated, including establishing criteria for determining
 - (i) the amount, or the manner of calculating the amount, of financial assistance,
 - (ii) the maximum annual financial assistance, and
 - (iii) the year or years during which financial assistance may be paid out or applied

The Council of the Village of St-Pierre-Jolys is of the opinion that it is in the best interest of the Village to create this incentive which will extend the life of the lagoon.

THEREFORE BE IT RESOLVED THAT Council for the Village of St-Pierre-Jolys enacts as follows:

- (1) The financial assistance program takes effect on June 1st, 2014.
- (2) Reimbursement of the total costs to
 - a maximum amount of \$2,000.00 (two thousand dollars) towards the cost of purchase and installation of a sump pit and pump installation

 - or a maximum of \$2,000 towards the purchase and installation of a sump pit and pump installation and in-line back water valve

 - or a maximum of \$1,000 for the installation of a in-line back water valve only.
- (3) A representation of original receipt is required as proof of purchase. This will be on a first come first serve basis until all allocated budget funding is depleted.

Conditions

To qualify for the financial assistance program, all of the following conditions must be met:

- (a) The subsidy is not available to any homes that were required by the Manitoba Plumbing Code or the Village's by-laws to have an in-line backwater valve and/or sump pump/pit at the time of construction.
- (b) Registered owner must not be in arrears on any accounts

- (c) Registered owner must make application and have property inspected prior to installation.
- (d) Registered owner must contact the Village and have the work inspected and approved by the Village Designated Officer upon completion.
- (e) Subsidy is not available for the repair or replacement of an existing in-line backwater valve and sump pump/pit.
- (f) The subsidy will be provided one time only per property for the purchase and installation of an in-line backwater valve and one time only for the purchase and installation of a sump pump/pit.

In order for a grant to be provided the person eligible must:

- (1) Apply in writing for the grant
- (2) Provide a copy of the receipt for the purchase and installation of sump pit and pump and/or in-line back water valve.

Property must be located in the Village of St.-Pierre-Jolys.

June 1st is the start date, all receipts to be dated after June 1st.

** New construction excluded.*

DONE AND PASSED as a By-Law of the Village of St-Pierre-Jolys in the Province of Manitoba this 21th day of May A.D. 2014.
