### **VILLAGE OF ST. PIERRE-JOLYS**

Consolidated Financial Statements For the Year Ended December 31, 2023

#### STATEMENT OF RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the Village of St. Pleme-Jolys and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of The Chartered Professional Accountants Canada.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

Council of the Village met with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

Exchange Chartered Professional Accountants as the Village's appointed external auditors, have audited the Consolidated Financial Statements. The Auditors' report is addressed to the Mayor and members of council and appears on the following page. Their opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Village in accordance with Canadian Public Sector Accounting Standards.

Tina Buberzer Chief Administrative Officer

#### INDEPENDENT AUDITORS' REPORT

### To the Mayor and members of Council of the VILLAGE OF ST. PIERRE-JOLYS

#### Qualified Opinion

We have audited the accompanying consolidated financial statements of the Village of St. Pierre (the Village), which comprise the consolidated statement of financial position as at December 31, 2023 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year ended December 31, 2023, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the consolidated financial statements present fairly, in all material respects, the financial position of the Village of St. Pierre as at December 31, 2023, and the results of its operations, change in net financial assets, and cash flows for the year ended December 31, 2023 in accordance with Canadian Public Sector Accounting Standards.

#### Basis for Qualified Opinion

Under Canadian Public Sector Accounting Standards, as of the year ended December 31, 2023, the Village was required to adopt a new accounting standard, PS 3280 – Asset Retirement Obligations. The Village has not recognized assets or liabilities for asset retirement obligations in the consolidated statement of financial position as at December 31, 2023 and has not recognized related expenses in the consolidated statement of operations for the year then ended.

Asset retirement obligations are legal obligations associated with the retirement of tangible capital assets. In order to adopt the standard, the Village would need to identify all legal obligations association with the retirement of its assets to ensure the completeness of the asset retirement assets and obligations recorded, and estimate the future costs of remediation for these assets and obligations to determine their valuation. The Village has not provided sufficient appropriate audit evidence regarding the completeness and the valuation of the amounts recorded and the disclosures required in respect of these assets and liabilities. Our audit opinion on the consolidated financial statements for the year ended December 31, 2023 was modified because of the effects of this departure from Canadian Public Sector Accounting Standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Villagein accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Village's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Villageor to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Villageto cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Village to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of this financial statement

### VILLAGE OF ST. PIERRE-JOLYS NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended December 31, 2023

#### 1. Status of the Village of St. Pierre Jolys

The incorporated Village of St. Pierre Jolys is a Village that was formed in 1947 pursuant to The Municipal Act. The Village provides or funds municipal services such as police, fire, public works, planning, parks and recreation, library and other general government operations. The Village owns one utility, has several designated special purpose reserves and provides funding support for other financial entities involved in economic development, recreation and tourism.

#### 2. Significant Accounting Policies

The consolidated financial statements have been prepared in accordance with public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

#### a) Reporting Entity

The consolidated financial statements include the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the council which are controlled by the Village. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits or risk of loss to the Village. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Village. Inter-fund and inter-company balances and transactions have been eliminated. There were no controlled organizations at December 31, 2023.

The Village has several partnership agreements in place, and as such, consistent with Canadian Public Sector Accounting Standards for government partnerships, the following local agencies, boards and commissions are accounted on a proportionate consolidation basis whereby the Village's pro-rata share of each of the assets, liabilities, revenues and expenses are combined on a line by line basis in the financial statements. Inter-company balances and transactions have been eliminated. The government partnerships include:

St. Pierre / De Salaberry Handi-Transit Inc. (30%) (2022 - 30%) Bibliotheque Regionale Jolys Regionale Library (20%) (2022 - 20%) Rat River Recreation Commission (50%) (2022 - 50%)

The taxation with respect to the operations of the school divisions are not reflected in the municipal surplus of these financial statements.

Trust funds and their related operations administered by the Village are not consolidated in these financial statements. At December 31, 2023, the Village did not administer any trust funds.

#### b) Basis of Accounting

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

#### c) Cash and Temporary Investments

Cash and temporary investments include cash and short-term investments with maturities of three months or less from the date of acquisition.

#### d) Investments

Temporary investments are accounted for at the lower of cost and market.

Portfolio investments are accounted for at cost.

#### e) Real Estate Properties Held for Sale

Real estate properties held for sale are recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

It is reasonably anticipated that real estate properties held for resale will be sold outside the reporting entity within one year of the balance sheet date.

#### f) Asset Retirement Obligations

Asset retirement obligations reflect the legal obligations arising from the retirement of the municipality's tangible capital assets, and are recognized when:

- there is a legal obligation for the municipality to incur costs in relation to a specific tangible capital asset
- there is a past transaction or event causing the liability that has occurred,
- · when economic benefits will need to be given up to remediate the liability, and
- when a reasonable estimate of the liability can be made.

Tangible capital assets that are in use, no longer in use, or that are leased may all give rise to asset retirement obligations.

When a liability for an asset retirement obligation is initially recognized, a corresponding adjustment to the related tangible capital asset is also recognized. Through the passage of time in subsequent reporting periods, the carrying value of the liability is adjusted to reflect accretion expenses incurred in the current period. This expense ensures that the time value of money is considered when recognizing outstanding liabilities at each reporting date. The capitalized asset retirement cost within tangible capital assets is also simultaneously depreciated on the same basis as the underlying asset to which it relates.

At remediation, the municipality derecognizes the liability that was established. In some circumstances, gains or losses may be incurred upon settlement related to the ongoing measurement of the liability and corresponding estimates that were made and are recognized in the statement of operations.

#### g) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets (debt) for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

#### h) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Village does not capitalize internal finance charges as part of the cost of its tangible capital assets.

#### **General Tangible Capital Assets**

| Land  | Indefinite                              |
|---|---|
| Land Improvements                           | 10 to 30 years                          |
| Buildings and leasehold improvements        | , |
| Buildings                                   | 25 to 40 years                          |
| Leasehold improvements                      | Life of lease                           |
| Vehicles and Equipment                      |   |
| Vehicles                                    | 5 years                                 |
| Machinery, equipment and furniture          | 10 years                                |
| Maintenance and road construction equipment | 15 years                                |
| Computer Hardware and Software              | 4 years                                 |

#### **Infrastructure Assets**

| Transportation                          |                |
|---|----------------|
| Land                                    | Indefinite     |
| Road surface                            | 20 to 30 years |
| Road grade                              | 40 years       |
| Bridges                                 | 25 to 50 years |
| Traffic lights and equipment            | 10 years       |
| Water and Sewer                         | •              |
| Land                                    | Indefinite     |
| Land improvements                       | 30 to 50 years |
| Buildings                               | 25 to 40 years |
| Underground networks                    | 40 to 60 years |
| Machinery and equipment                 | 10 to 20 years |
| Dams and other surface water structures | 40 to 60 years |

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the Village, forests, water, and other natural resources are not recognized as tangible capital assets.

#### i) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to the ownership or property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

#### j) Inventories

Inventories held for sale are recorded at the lower of cost and net realizable value.

Inventories held for consumption are recorded at the lower of cost and replacement value.

#### k) Revenue Recognition

Revenues are recognized as they are earned and measurable.

Government transfers are recognized in the financial statements when the transfer is authorized and eligibility criteria are met except, when and to the extent, stipulations by the transferor gives rise to an obligation that meets the definition of a liability. Stipulations by the transferor may require that the funds only be used for providing specific services or the acquisition of tangible capital assets. For transfers with stipulations an equivalent amount of revenue is recognized as the liability is settled.

Unearned revenue represents user charges and other fees which have been collected, for which the related services have yet to be provided. These amounts will be recognized as revenue in the fiscal year the services are provided.

#### I) Measurement Uncertainty

Estimates are used to accrue revenues and expenses in circumstances where the actual accrued amounts are unknown at the time the financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.

Measurement uncertainty in these financial statements exists in the accrual of the landfill closure and post closure liabilities. The accrual of the landfill liabilities is based on estimated future cash flows discounted to the financial statement date. The estimate of the future cash flows and the closure date of the landfill are based upon the best estimates by management. The actual future cash flows and closure date may differ significantly.

#### m) Future Changes in Accounting Standards

A number of new and amended Canadian public sector accounting standards have been issued and not applied in preparing these financial statements. These standards will come into effect as follows:

- PS 3400 Revenue (effective January 1, 2024), a new standard establishing guidance on the recognition, measurement, presentation and disclosure of revenue. Earlier adoption is permitted.
- PS 3160 Public Private Partnerships (effective January 1, 2024), is a new standard establishing guidance on the recognition, measurement and disclosure of public private partnerships arrangements. Earlier adoption is permitted.
- PSG 8 Purchased intangibles (effective January 1, 2024) provides guidelines on the accounting and reporting for purchased intangible assets that are acquired through arm's length exchange transactions between knowledgeable, willing parties that are under no compulsion to act.

These new accounting standards have not been applied in preparing these consolidated financial statements.

#### 3. Cash and Temporary Investments

Cash and temporary investments are comprised of the following:

|                               | 2023             | <br>2022            |
|-------------------------------|------------------|---------------------|
| Cash<br>Temporary investments | \$ 1,734,261<br> | \$<br>1,788,830<br> |
|                               | \$ 1,734,261     | \$<br>1,788,830     |

Temporary investments are comprised mainly of guaranteed investment certificates and term deposits and have a market value approximating cost. The Village has designated \$1,302,987 (2022 - \$1,401,884) to reserves for debt principal repayments and tangible capital asset acquisitions. See Schedule 6 – Schedule of Change in Reserve Fund Balances.

The Village has a line of credit available at Caisse Credit Union limited to \$275,000 bearing interest at prime 7.2% at December 2023). The Village had utilized \$Nil (2022 - \$Nil) at year-end.

#### 4. Amounts Receivable

Amounts receivable are valued at their net realizable value.

|    |  | 2023         |                                    | 2022 |  |

| 2024<br>2025<br>2026<br>2027<br>2028   | \$ \$ \$ \$ \$<br>\$ | 51,739<br>47,161<br>42,120<br>43,892 |              |         |
| 2020   | Þ                    | 45,739                               |              |         |

#### 7. Commitments

The Village has negotiated an agreement with Bristal Hauling for handling and disposal of garbage. Annual charges under the contract are determined by reference to certain waste volumes handled. Payments made under the contract for the year 2023 were \$106,407 (2022 - \$65,010).

#### 8. Retirement Benefits

The majority of the employees of the Village are members of the Municipal Employees' Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. MEPP members will receive benefits based on 1.5% of their final average yearly Canada Pension Plan (CPP) earnings times years of service, plus 2% of their final average yearly non-CPP earnings times years of service. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook section PS3250.

Pension assets consist of investment grade securities. Market and credit risk on these securities are managed by MEPP by placing plan assets in trust and through MEPP investment policy. The pension expense is based on the contribution rate. The MEPP required that employees contribute 8.3% of basic annual earnings up to the CPP ceiling plus 9.5% of basic annual earnings in excess of the CPP ceiling, plus an additional 0.1% of earnings below and in excess of the CPP ceiling from employees that are not members of the Municipal Disability Income Plan. The employers are required to match the employee contributions to the MEPP. Actual contributions to MEPP made during 2023 by the Village on behalf of its employees are expected to be \$33,200 (2022 - \$28,822) and are included in the statement of operations.

Subject to the following paragraph, any unfunded liabilities are to be funded by the participating employers. The most recent actuarial valuation as of December 31, 2022, indicated the plan was 111.6% funded on a going concern basis and had an unfunded solvency liability of \$19.3 million. The solvency position of the plan is determined by comparing the plan assets to the actuarial present value of the benefits accrued in respect of credited service up to the valuation date, calculated as if the plan were wound up on December 31, 2022.

In 2010, the Government of Manitoba enacted a regulation which permits sponsors of public sector pension plans, including MEPP, to elect permanent exemption from solvency funding requirements subject to certain conditions stated in the regulation. MEPP has elected permanent exemption from solvency funding requirements. As a result, solvency funding is no longer required by MEPP.

#### 9. Budget

The financial plan is prepared on a revenue and expenditure basis. For comparative purposes, the Village has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by council.

The reconciliation between the financial plan and the budget figures used in these statements is disclosed in Schedule 10 - Reconciliation of the Financial Plan to the Budget.

#### 10. Accumulated Surplus

| 2023   |                     | 2022   |
|--|---------------------|--|
| 578,945<br>(6,534)<br>6,375,384<br>1,302,987 | \$                  | 588,317<br>(125,589)<br>5,996,841<br>1,401,884 |
| 8,250,782                                    |                     | 7,861,453                                      |
| 93,097                                       | <u> </u>            | 76,110<br>7,937,563                            |
| _  | 93,097<br>8,343,879 |  |

#### 11. Public Sector Compensation Disclosure

It is a requirement of The Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of council, and of individual compensation in an amount exceeding \$85,000 annually to any member of council, officer or employee of the Village. For the year ended December 31, 2023:

- a) There were no members of council receiving compensation in excess of \$85,000 individually.
- b) The following officer received compensation in excess of \$85,000:

| Tina Bubenzer | Chief Administrative Officer | \$ 85.369 |
|---------------|------------------------------|-----------|
|---------------|------------------------------|-----------|

It is a requirement of The Municipal Act that the annual financial statement disclose the amount of compensation, expenses and any other payment made to council or committee members by the type of each payment and the total amount of payment to each member of council of the Village. For the year ended December 31, 2023:

c) Compensation paid to members of council amounted to \$48,488 in aggregate.

#### Council Members:

#### 12. Segmented Information

The Village of St. Pierre-Jolys provides a wide ranges of services to its residents.

Segment information has been provided in Schedule 4 for the following services:

- General Government
- Protective Services
- Transportation Services
- Environmental Health
- Public Health and Welfare Services
- Regional Planning and Development
- Resources Conservation and Industrial Development
- Recreation and Cultural Services
- Water and Sewer Services

Revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies of the segments are consistent with those followed in the preparation of the financial statements as described in the summary of significant accounting policies.

#### 13. Government Partnerships

The Village has several partnership agreements for municipal services. The consolidated financial statements include the Village's proportionate interest, as disclosed in note 2(a). The aggregate financial statements of the government partnerships, in condensed summary, are as follows:

|   | <br>2023      |   | 2022     |
|---|---------------|---|----------|
| Financial Position                                  |               |   |          |
| Financial assets                                    | \$<br>77,183  | \$                                      | 80,329   |

| Elimination of revenues/expenses upon consolidation | <br>(20,157)  |   | (14,229) |
| Consolidated annual surplus                         | \$<br>(3,169) | \$                                      | (9,634)  |

#### 14. Public Utilities Board

The Public Utilities Board (PUB) regulates the rates charged by all water and wastewater utilities, except the City of Winnipeg Utility and wholesale water rates set by the Manitoba Water Services Board. The PUB has the authority to order any owner of a utility to adopt uniform and prescribed accounting policies. The PUB's prescribed accounting policies on tangible or contributed capital assets and government transfers allow for adjustments to be made, for rate setting purposes, which do not meet PSAB standards.

For information purposes, the Village has deferred the capital grants and/or contributed assets it has received in the past for its utilities and amortized them over the useful life of the related tangible or contributed capital asset.

No capital grants have been deferred and amortized in these financial statements.

The following table provides historical information on capital grants for tangible or contributed capital assets with a remaining Net Book Value.

#### Sewer services:

| Description of Utility | Unamortized<br>Opening<br>Balance | Additions<br>During Year | Amortization<br>During Year | Unamortized<br>Balance<br>Ending |
|------------------------|-----------------------------------|--------------------------|-----------------------------|----------------------------------|
| St. Pierre-Jolys sewer | \$ 1,501,066                      | \$ -                     | \$ 45,888                   | \$ 1,455,178                     |

#### 15. Comparative Figures

Prior year figures have been reclassed to conform with the current year presentation.
