What is the current Address for your home?

What is the year your home was built (approximate if not known)?

Do you have a sump pit and pump in your home?

Are your eavestroughs connected to your weeping tile?

Do you have an in-line backwater valve installed?

Have you experienced sewer back-ups at your home?

If you have experienced sewer back-up at your home, did it cause much damage?

Do you feel that overland flooding is a concern for your property?

Did you take part in St-Pierre-Jolys previous incentive program to encourage the installation of a sump pit and pump and/or in-line back water valve?

If you were not able to take part in the St-Pierre-Jolys previous incentive program as mentioned in the above question, were you interested in taking part?

Would you be interested in taking part in a new drainage retrofit program that provides rebates for a sump pit and pump and in-line backwater valve?

Do you feel adequately informed about the available flood prevention resources and programs in St-Pierre-Jolys?

Do you have any additional comments or suggestions regarding flood prevention resources and programs in the village?

Comments / Suggestions:
